

North Central District Application to Return to Sanctioned Play

Today's Date: _____

With this application it is the intent to register as a player returning to my home association, acknowledging that I have missed the Feb 10th deadline to apply to be re-instated as a Hockey Canada member.

I accept that the North Central District will charge an administration fee of **\$250** to be held until February 10th (BC Hockey carding Deadline). Should the player be successful in carding to a BC Hockey Elite League team or is released back to their home association this fee would then be refunded or applied to the players registration fee for the current season within the home association. **If the player chooses to return to an unsanctioned league the fee will not be refunded.**

Payment can be sent by e-transfer to: ncdmha@gmail.com
